

# OUR COMMITMENT TO SAFETY

The CLEAN Events are committed to creating exceptional experiences that ignite connection and commerce, especially through our in-person events this fall. The health and safety for our attendees and sponsors is of the utmost concern and priority of the 2020 Industry Summit. In an effort to maintain the health and well-being of all participants at the Summit, we have implemented new event standard operating practices and procedures.

**Masks** will be required and provided for any attendee who needs one.

**Online wellness screening questionnaires** and temperature checks will be required at entry for all attendees prior to checking in; wellness screenings provided by CTEH.

**High traffic areas** (such as handrails, escalators, door knobs, elevator buttons, etc.) will be disinfected by the venue staff every two hours.

**Hand sanitizer** stations will be available throughout the event.

**Physical distancing** stickers and signage will be available for attendees and tabletop sponsors.

**Dedicated entry and exit points** will be identified to ease one-way traffic flow.

**Session rooms** will be set to allow for proper physical distancing.

**Registration** will be set to allow for proper physical distancing and all staff will be required to wear masks.

**Food and beverage** services will be provided in a minimal contact way (i.e. no buffets, pre-packaged food is preferred and catering staff will be masked and gloved).
